

Internship – School Intern at the N/a'an ku sê Foundation

Are you passionate about education, community development, and making a real impact? Join our mission to uplift and empower children through quality education in Namibia's rural areas!

The N/a'an ku sê Foundation is a non-profit organization dedicated to the conservation and protection of the natural world, and the empowerment of marginalized communities in Namibia. Our mission is to conserve the landscapes, protect wildlife and improve the lives of the people, fostering a better future through collaboration and innovation. Our work is diverse, ranging from wildlife conservation efforts to community education and healthcare programs.

The N/a'an ku sê Schools are dedicated to providing inclusive, holistic education to San and other disadvantaged children from Grades 1 to 9. Our schools are based on farms across Namibia and are run in partnership with the N/a'an ku sê Foundation. We believe in hands-on, learner-centered education that builds confidence, skills, and a love for learning.

We are looking for

Passionate interns who want to gain experience in primary and junior secondary education. Whether you are a student, graduate, teacher-in-training, or someone who simply wants to give back – we welcome your application. This internship is particularly suited to international applicants seeking a cross-cultural experience in a rural African context. The internship is for a maximum duration of 3 months; time commitment is flexible and can be discussed.

Roles may include:

- Assisting teachers in classrooms (Grades 1–9)
- Supporting reading, writing, and numeracy development
- Helping with lesson preparation and extra activities
- Mentoring learners and encouraging classroom participation
- Assisting with sport, music, or arts programs

What you gain:

- Practical classroom experience
- The opportunity to make a lasting impact
- Cultural exchange and personal growth
- A reference letter upon successful completion

Accommodation

- Will be on-site at one of our rural school campuses.
